**BEEF PRODUCERS WANTED**

Simply Grazin’ LLC, one of the region’s largest producers and suppliers of 100% grass fed beef, is currently seeking applicants to become one of our certified producers in NY, VT, PA, NJ, DE, MD and VA.

**BEEF PRODUCERS** need to be 100% grass fed, cow/calf or cow/calf finisher operation preferred, other operations can be accepted. All animals must have year round access to pasture (weather permitting). Producers must be currently engaged in a 100% grass based operation with beef breeds (No Dairy). Applicants must have a high level of animal welfare already in place in their operation. Successful applicants would be eligible to receive “market” pricing.

Interested applicants should call 908-359-6555 ext 2 for Taylor. Please leave a detailed message in order to receive a return call.

A MESSAGE TO ALL DAIRY FARMERS

We're not the largest Livestock Dealers, but we don't have the largest advertisements, but we promise to be honest, fair, and caring when it comes to purchasing and selling your complete dairy herd. You and your cows deserve that much. We also have a quality selection of Reg and Grade cows at all times for you to choose from. So if you are thinking of buying or selling, from one cow to an entire herd, give us a call. You will be glad you did.

YOU HAVE A FARM. WE HAVE A SOLUTION.

GEA has always made its mark by designing efficient and long-lasting freestall manure cleaner systems. GEA Alloy scrapers will return your investment in labor savings and cleaner barns.

Whatever your barn condition is, we have the solutions to meet your needs. We understand that you need an experienced, reliable resource and equipment that works as hard as you do.

Twin Clover Equipment offers a complete line of GEA manure equipment, designed to withstand the rigors of today’s farming environment.

Your Local GEA Manure Equipment Dealer

We Install and Service all GEA Manure Handling Equipment.

HELP WANTED

Commercialprint@leepub.com

Help Wanted

POSITION AVAILABLE - FARM HAND

New Pond Farm is a non-profit environmental education center and working farm located on 102-acres in West Redding, CT.

AFM responsibilities will include: Care of farm animals, buildings and property; milking and processing milk for our state licensed dairy; haying, wood splitting and equipment maintenance; helping with programs.

Qualifications: Strong communication skills; a degree in agriculture or a related field, or prior farm experience; knowledge of machine maintenance, “light carpentry and plumbing” capabilities

Benefits: Competitive salary; a two-bedroom apartment on site; health insurance, and a retirement plan are also provided.

For more details or to send your resume, contact Ann Taylor. ann@newpondfarm.org

Diesel Mechanic - Farm and Industrial Equipment Full Time (5-6 days/week, 45-50 hours)

Wilson Farm, Lexington MA is adding an experienced mechanic to our maintenance team to service tractors, farm equipment, trucks and other various equipment repairs.

Description:

The mechanic is responsible for prioritizing work to be performed on company owned vehicles. This includes hands-on troubleshooting, diagnosing, repairing or performing preventative maintenance checks (oil changes, tire rotations etc.) and service as scheduled on a variety of vehicles and equipment for farm operations. Additionally, the mechanic is responsible for all relationships with external vendors, suppliers and offsite equipment maintenance as needed. A working knowledge of diesel and gas engine diagnosis, repair and maintenance is required as well as an understanding of electrical, hydraulics, DOT inspections. Computer skills and some software knowledge helpful for researching repair protocols and parts.

Qualification:

8+ years experience as a Diesel Mechanic with a CDL license
